Introduction

Smart Online Business Matching was developed to facilitate buyers and sellers to arrange meetings, exchange and negotiate business. This document is intended as a user manual for Thaitrade.com members.

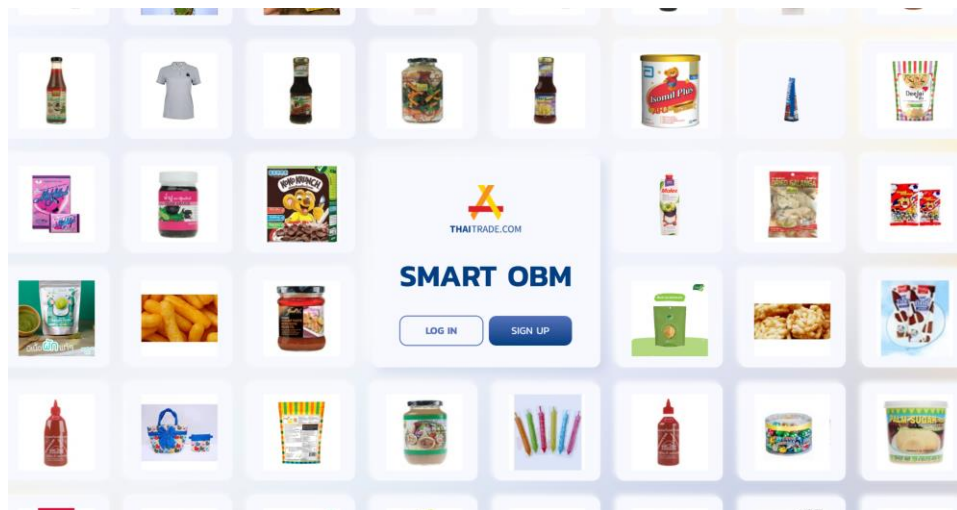

Sections below provide information in different stages.

- Register (Redirect to Thaitrade.com)
- Login
- Matching Meeting
- Meeting by Zoom
- Questionnaire
- Change categories and ingredients

1. Register

Those who can use the Smart Online Business Matching system must be a member of Thaitrade.com Please Follow the steps below.

- 1.2. Go to : <https://smartobm.thaitrade.com>
- 1.3. First time users, please click Sign Up and the system will redirect to www.Thaitrade.com If your account is approved, you will be able to use <https://smartobm.thaitrade.com>

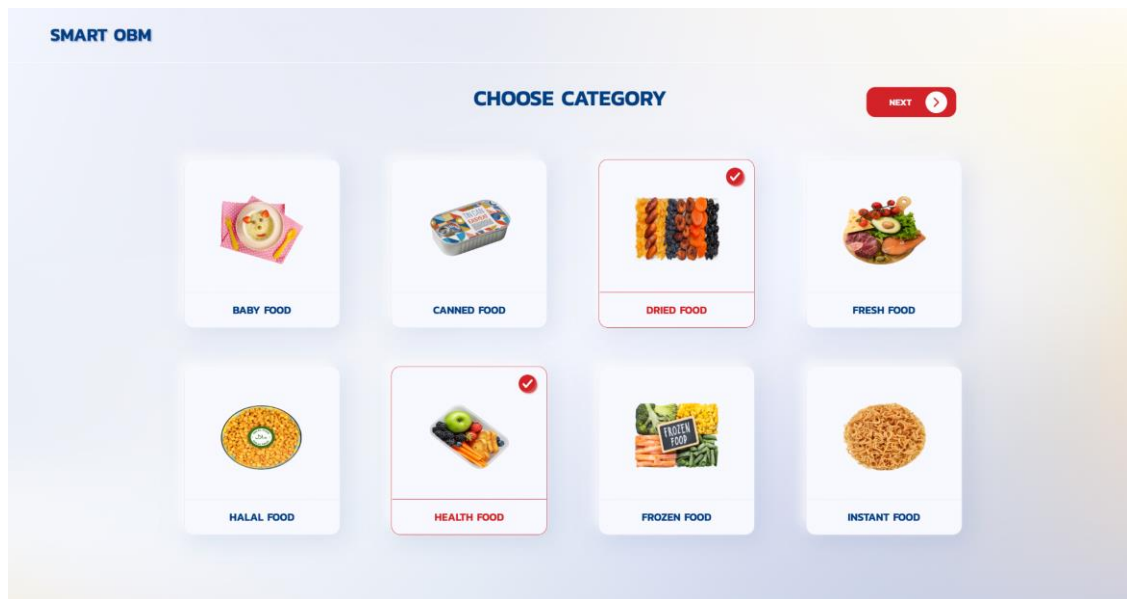

2. Login

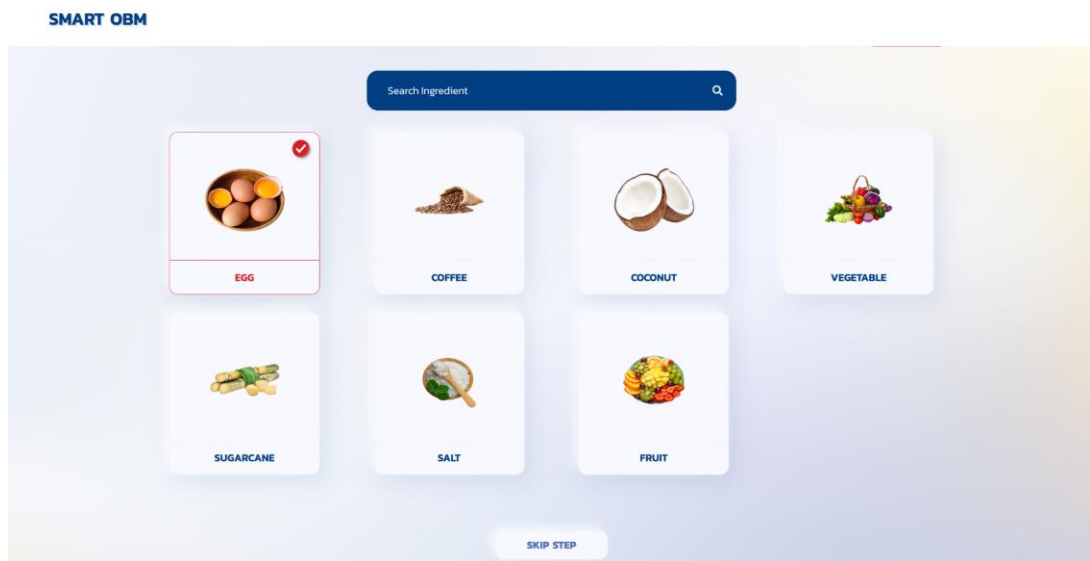

There are 2 different types of login process for buyers and sellers

2.1. Buyers

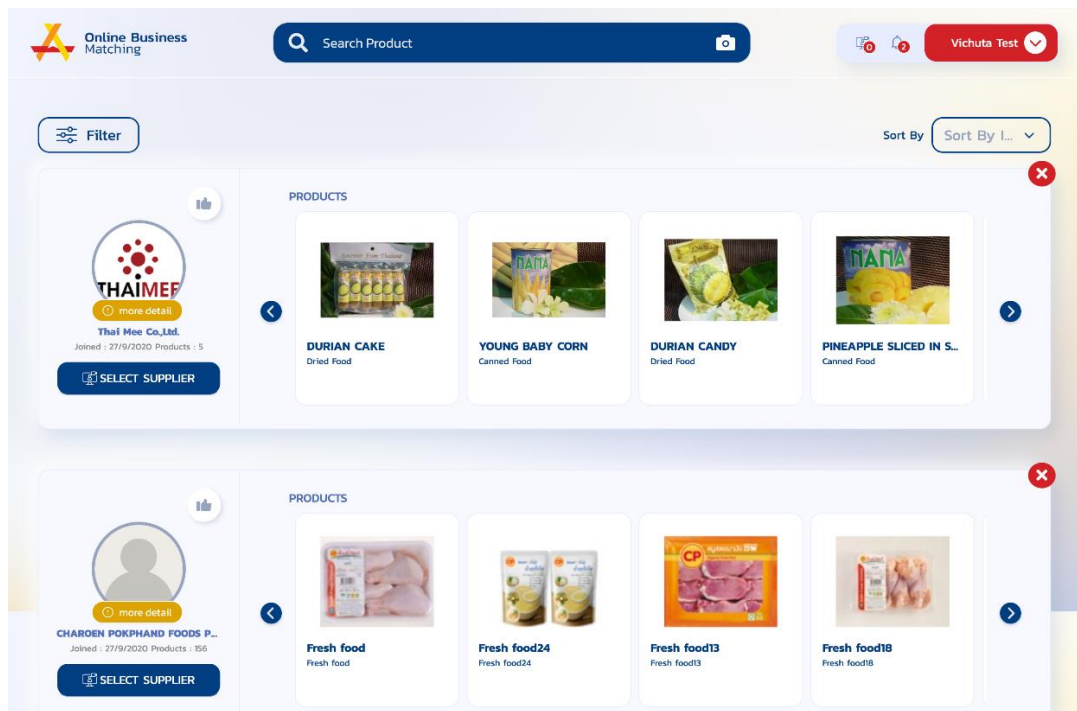

- Go to <https://smartobm.thaitrade.com>
- Click Login and fill in Username and Password.
- If you login for the first time, the Smart OBM system requires buyers to select at least 1 type of interest product category but no more than 3 types of interest product categories then pass Next.

- Next, buyers require to choose ingredients of their products (No limitation or can skip)

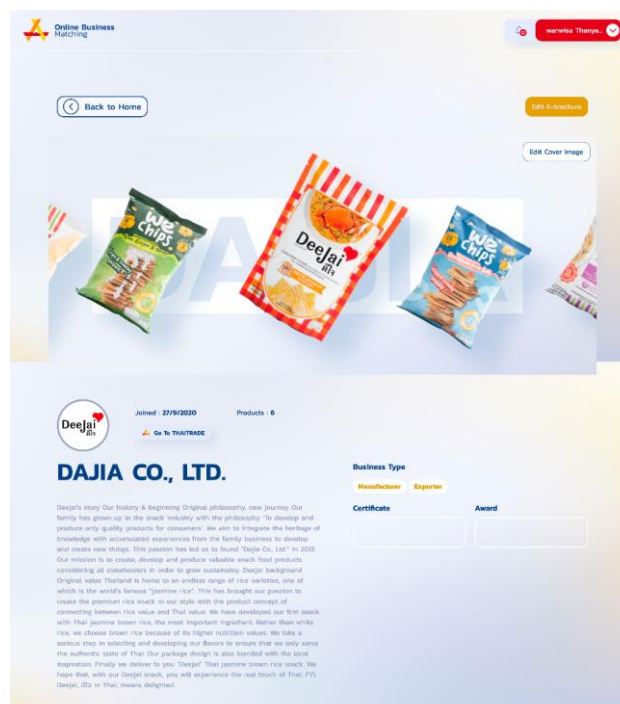

- The Smart OBM system will redirect to the list of “sellers page” related to choosing categories and ingredients of the product.

2.2. Sellers

- Go to <https://smartobm.thaitrade.com>
- Click Login then please fill Username and Password.
- The Smart OBM system will link to your store information from www.Thaitrade.com, These you can manage your information banner store.

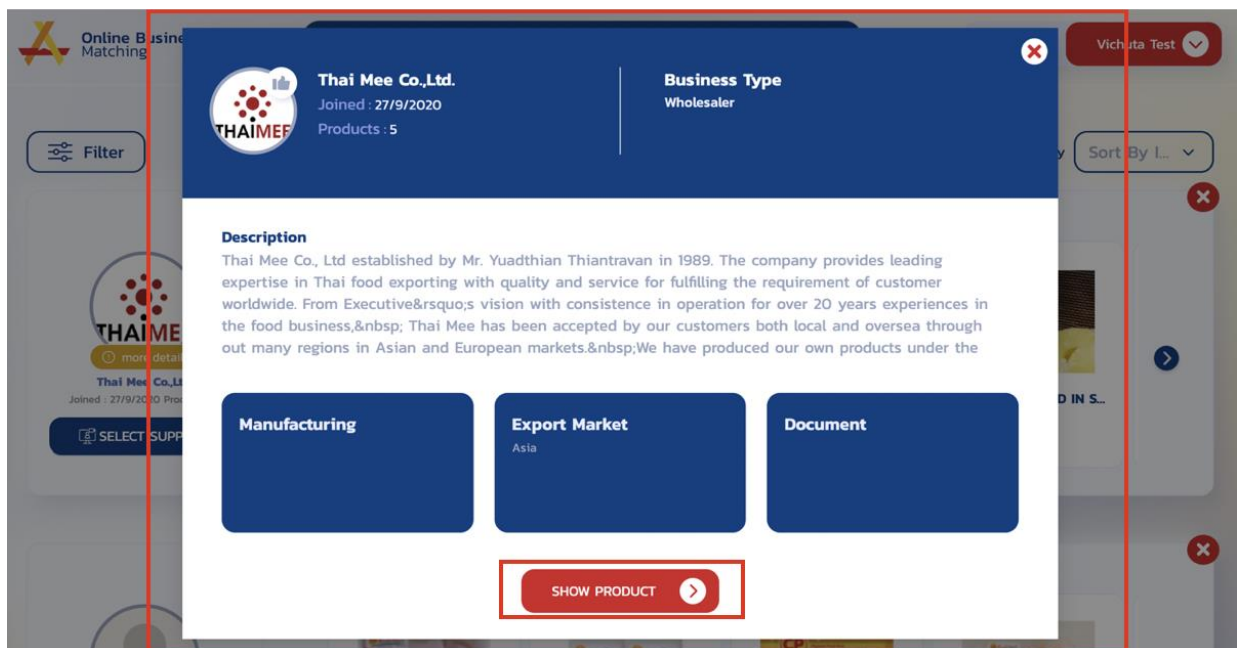

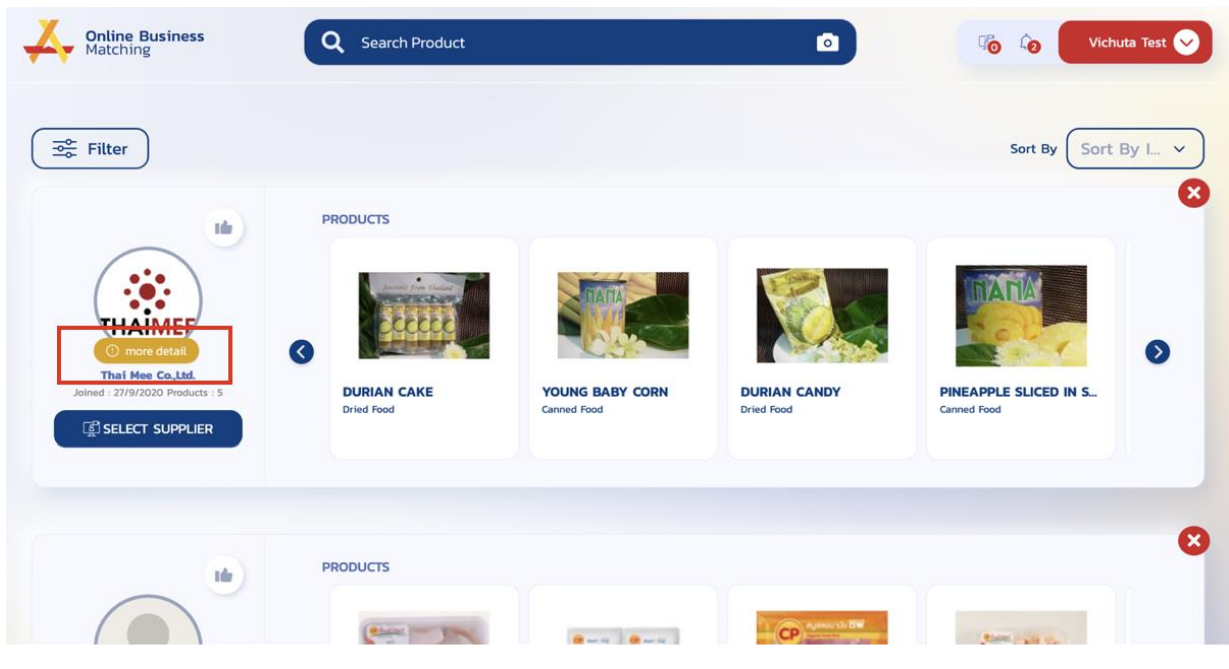

3. User manual How to choose sellers (for buyers)

Select the desired sellers with the following steps:

- 3.1. Once you has already decided on the product's categories and ingredients then the system will filter related sellers.

The screenshot displays the 'Online Business Matching' interface. At the top, there is a search bar labeled 'Search Product' and a 'Vichuta Test' button. Below the search bar, there is a 'Filter' button and a 'Sort By' dropdown menu. The main content area shows two supplier profiles, each with a profile picture, a 'more detail' button, and a 'SELECT SUPPLIER' button. The first supplier is 'THAIMEF Thai Mee Co.,Ltd.' with 5 products. The second supplier is 'CHAROEN POKPHAND FOODS P...' with 156 products. Each supplier profile has a 'PRODUCTS' section with four product cards. The first supplier's products are: DURIAN CAKE (Dried Food), YOUNG BABY CORN (Canned Food), DURIAN CANDY (Dried Food), and PINEAPPLE SLICED IN S... (Canned Food). The second supplier's products are: Fresh food (Fresh food), Fresh food24 (Fresh food24), Fresh food13 (Fresh food13), and Fresh food18 (Fresh food18).

- 3.2. Buyers can view information of store by press “More detail” the system will display screen description of store , and then press “Show Product” the system will redirect buyers to home page of store from your preference.

The screenshot shows the user interface of the Smart OBM platform. At the top, there is a navigation bar with the 'Online Business Matching' logo, a search bar, and a 'Vichuta Test' button. Below the navigation bar, there are buttons for 'Back to Home', 'E-brochure', and 'SELECT SUPPLIER'. The main header area features the text 'SMART OBM' in large, light blue letters over a background of various food products.

The profile section for 'THAI MEE CO.,LTD.' includes the following information:

- Logo:** THAIMEE
- Joined:** 27/9/2020
- Products:** 5
- Go To THAITRADE:** A button with a flame icon.
- Business Type:** Wholesaler
- Certificate:** A placeholder box.
- Award:** A placeholder box.

Below the profile information, there are three main categories represented by blue buttons with icons:

- Manufacturing:** Represented by a gear icon.
- Export Market:** Represented by a globe icon, with a sub-item 'Asia' listed below it.
- Document:** Represented by a document icon.

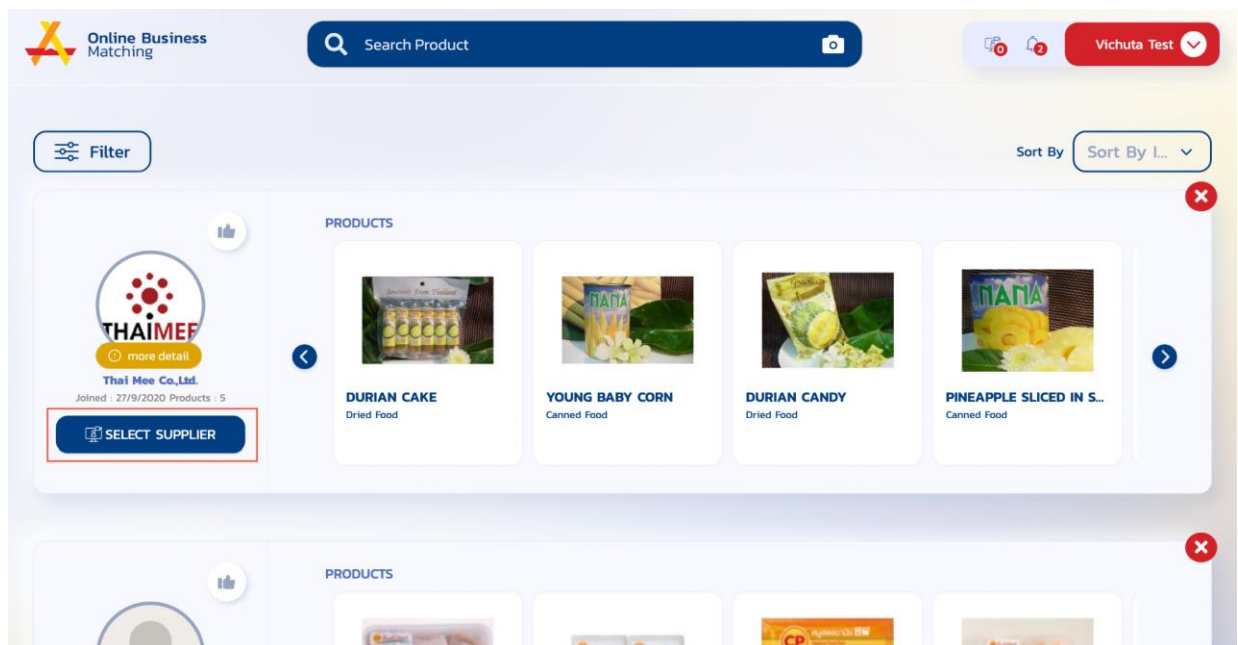

The 'PRODUCTS' section is displayed in large, light blue letters. Below this, there are five product cards, each with an image, a title, a category, and a 'more detail' button:

- DURIAN CAKE:** Dried Food
- PINEAPPLE SLICED IN...:** Canned Food
- WHOLE KERNEL CORN:** Nuts & Kernels
- DURIAN CANDY:** Dried Food
- YOUNG BABY CORN:** Canned Food

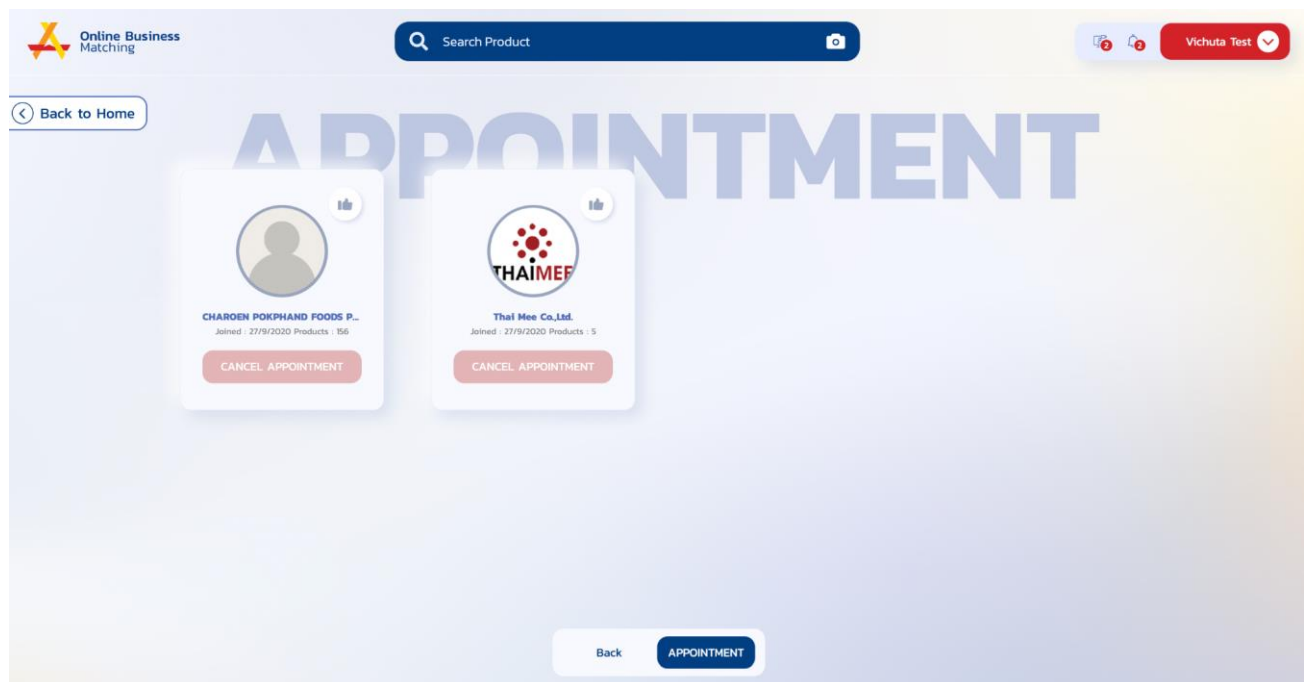

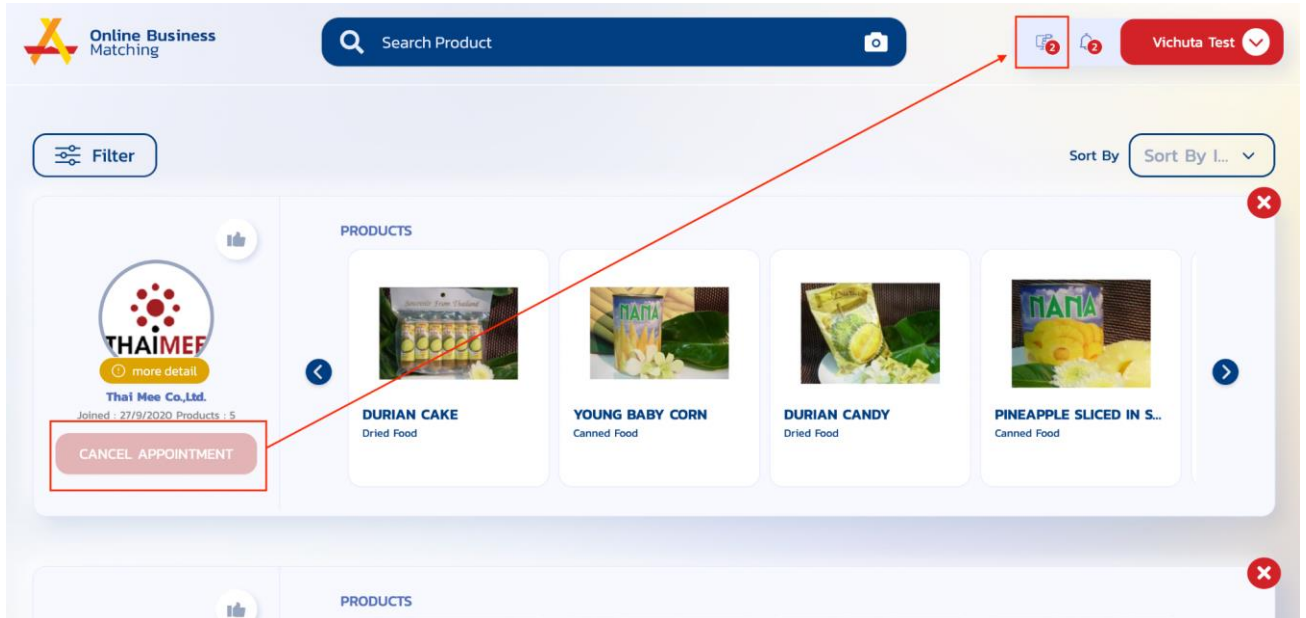

4. User manual How to make an appointment for buyers

The buyer can arrange an appointment by following these steps:

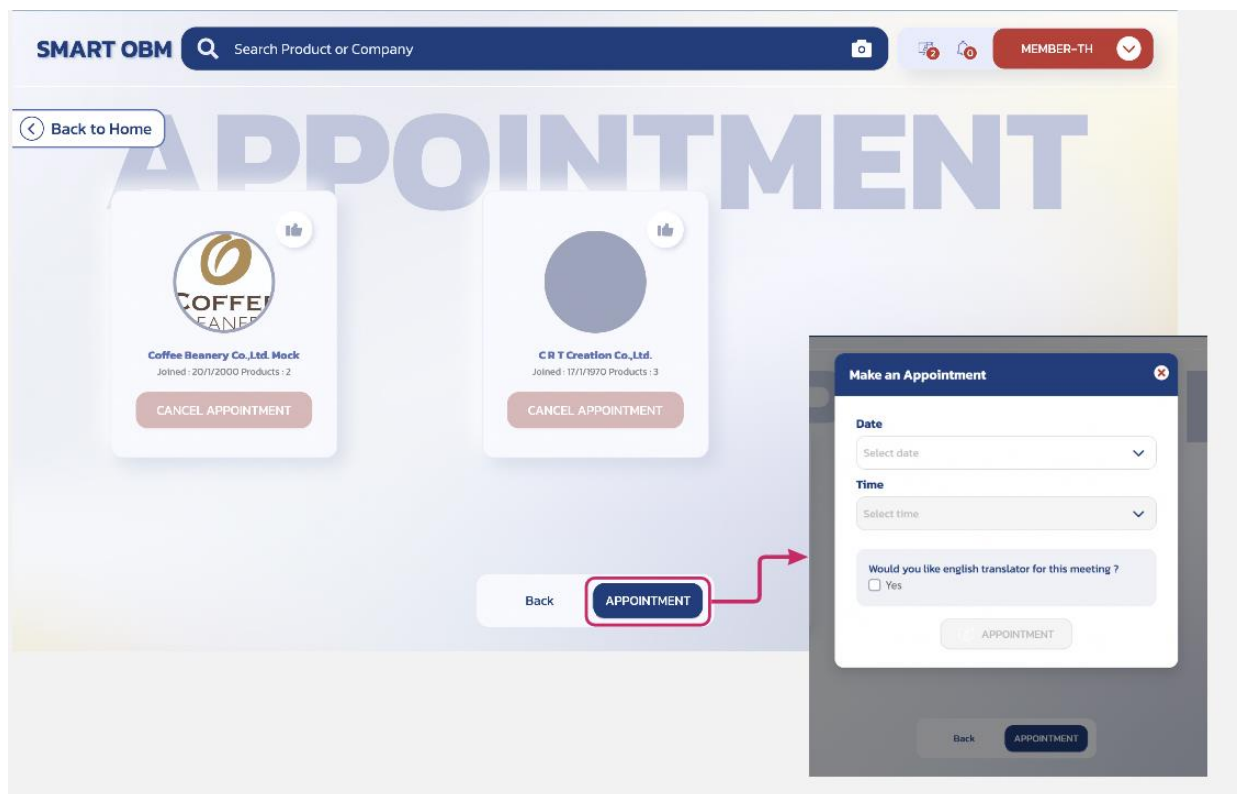

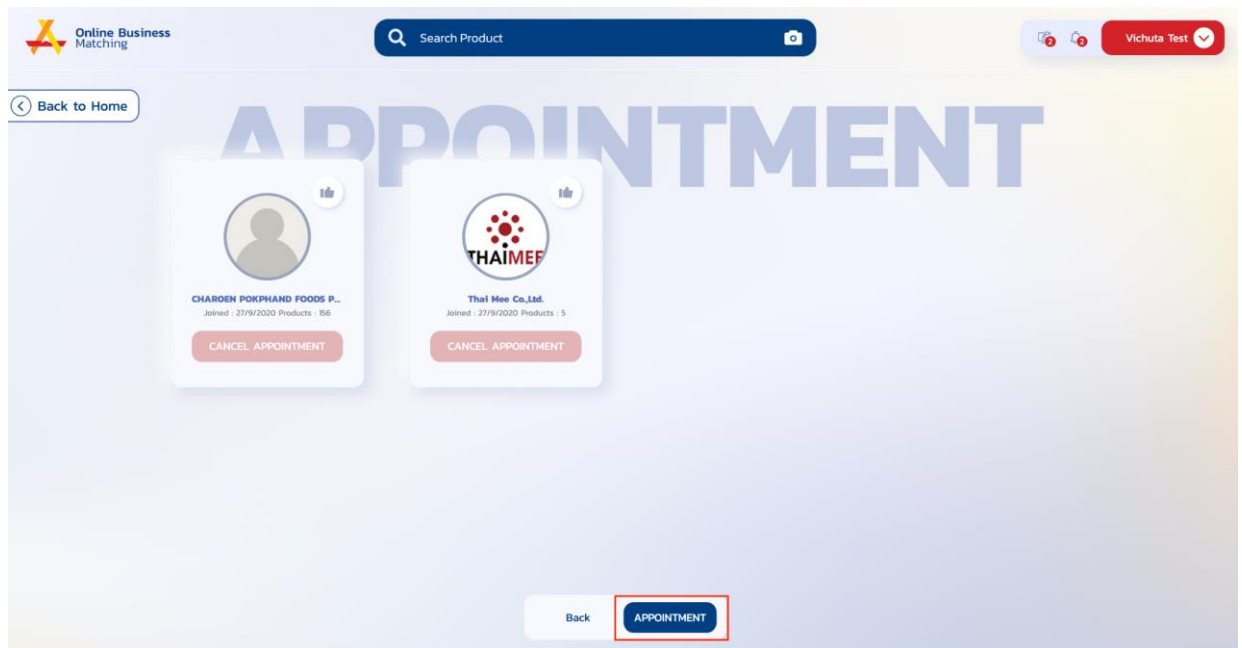

- 4.1. Press “Select Supplier” which can be clicked from the home page of the seller or seller's main page.

4.2. After selected sellers, the system will display the appointment list for each sellers.

- 4.3. Click the button “Appointment”. Then the screen will display the details of the date and time to make an appointment. The system will generate thirty minutes period per meeting.(each appointment must be created two days in advance.)

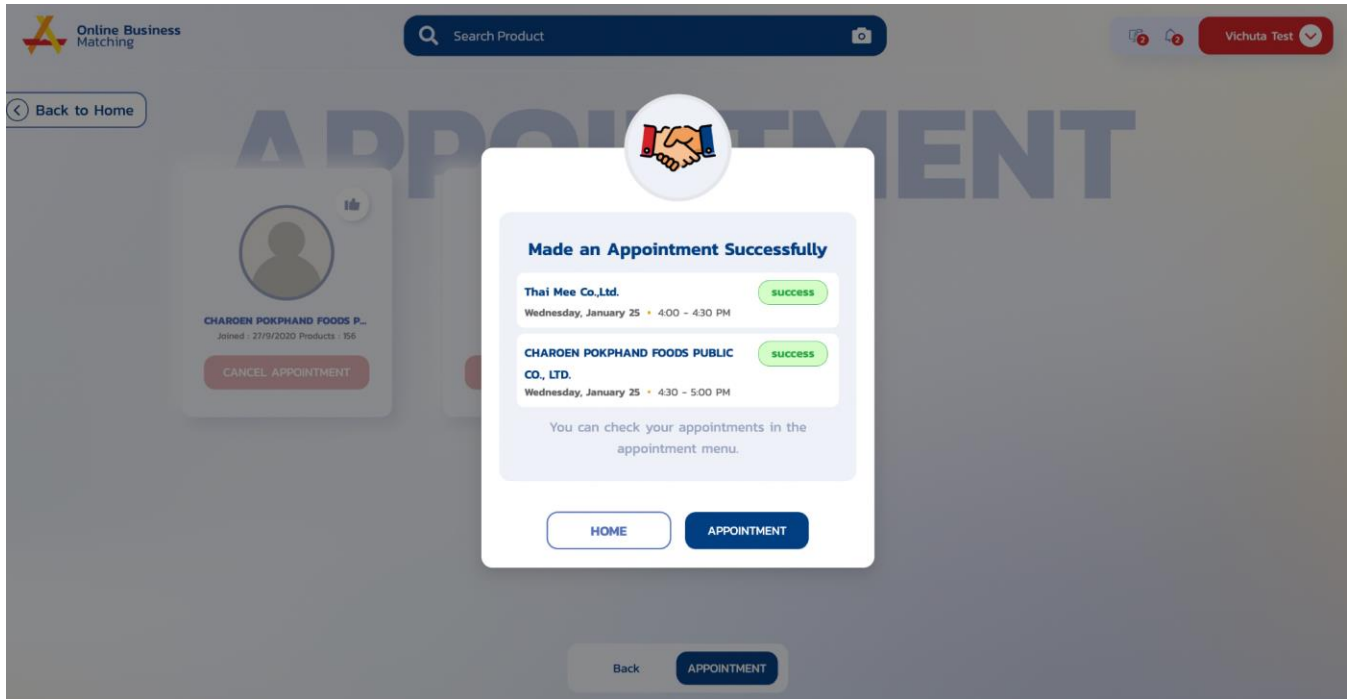

- 4.4. Once the date and time of the appointment have been determined. The Smart OBM system will notify that "Made an Appointment Successfully". The meeting date and time will updated on the calendar.

The screenshot displays the SMART OBM user interface. The top navigation bar includes the SMART OBM logo, a search bar for products or companies, and a user profile dropdown menu labeled 'MEMBER-TH'. A central modal window with a handshake icon and the text 'Made an Appointment Successfully' is overlaid on the page. Below this message are buttons for 'HOME' and 'APPOINTMENT'. In the background, a product card for 'COFFEE SCANERY' is visible with a 'CANCEL APPOINTMENT' button. Below the modal, there are 'Back' and 'APPOINTMENT' buttons.

The lower portion of the screenshot shows the 'My Calend' section. It features a calendar for October 2022 with a weekly view. The calendar grid shows dates from 25 to 5. On the right side, there is a 'My Calend' sidebar with a 'Sort' dropdown, a calendar grid for October 2022, and an 'Appointment List' section. A user profile dropdown menu is also visible, containing options for 'MY PROFILE', 'MY CALENDAR', and 'SIGN OUT'.

- 4.5. In case buyers choose to make more than 1 to the sellers. An appointment sellers. The system will provide available time slot for both sides. Later, the screen will display a successful appointment.

5. User manual How make an appointment for sellers

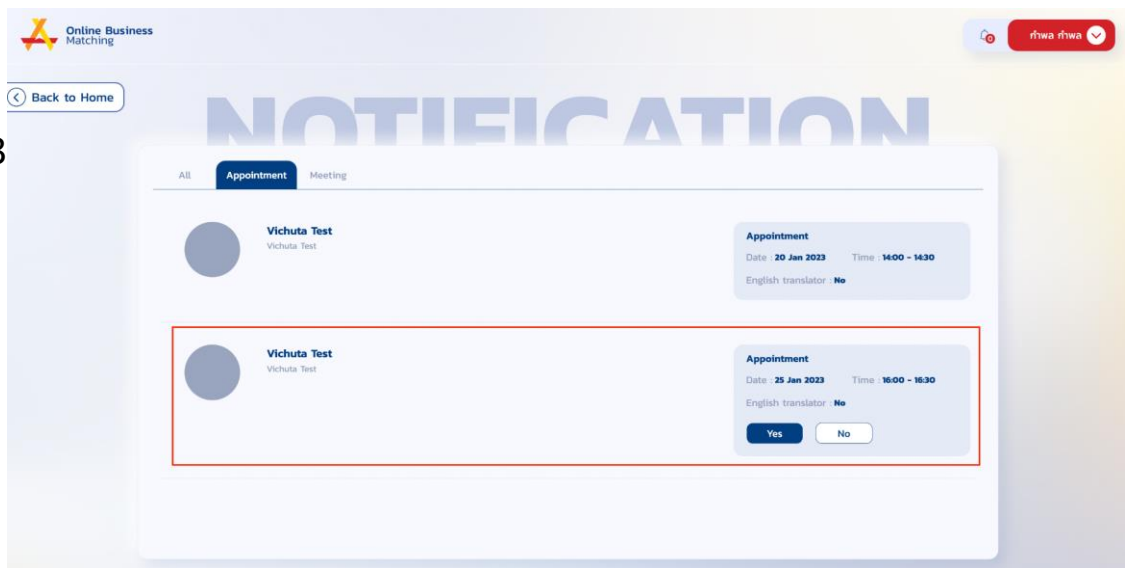

When the buyer makes an appointment the system will notify the seller.

5.1. Once the sellers login, the system will notify to sellers
